As Director at OTC DAIHEN EUROPE GmbH, Norbert Kleinendonk has already successfully led the operational management of the sales and marketing division over the years.

On April 1, 2018 Kleinendonk was appointed as Managing Director with joint power of representation alongside Mr. Norihito Takahashi and Naoki Urai. With this step, the company management confirmed its great confidence in his work.

With 27 years with the company, Norbert Kleinendonk is one of the pioneers at OTC and has also been firmly involved in numerous corporate decisions in his previous position. Kleinendonk will retain his operational responsibilities even after his move to the management board.

The company management and his colleagues congratulate him and wish him all the best for the future.
